ARNIA – Soc. Coop. Sociale MADE IN ITALY the MISSION

We are a sustainable non-profit company.

We concretely support a sustainable fashion industry and any high-end industry, with the objective of preserving our planet, and promoting a sustainable industry system through the introduction / reintroduction of persons with both social & economic difficulties back into the workforce.

Our work is based:
1) on passion and innovation;
2) on our unique strength and skills that represent the heritage and the future of the MADE IN ITALY (goods produced in Italy);
3) on the equal dignity of each person, recognizing diversity as a key value for human development;
4) on responsibility, integrity, honesty, and transparency of our actions;
5) On the never give up in fight poverty, hunger, and discrimination in the world.

We believe in the value of long-term partnership with our partners and the communities where we operate bringing long-last prosperity for all.

The United Nations 2030 Agenda for SUSTAINABLE DEVELOPMENT, presented in September 2015 identifies n. 17 (seventeen) SUSTAINABLE DEVELOPMENT GOALS (SDGs) that represent common objectives of sustainable development in today's complex social challenges. These objectives constitute an important reference for the international community, and a mandatory reference for ARNIA Soc. Coop. Social MADE IN ITALY in conducting its activities within the countries in which it operates.
